ILLINOIS ASSESSORS ASSOCIATION

2026 - 2027 Biennial Dues

Dear Fellow Assessing Official,

The IAA would like to remind all our Assessing Officials that the education guidelines for Department of Revenue certification have changed. Please review the TOI website for further information.

We continually provide funding for new course development and scholarship funding. Be sure to visit the TOI website for the Assessors Division. This site is full of information for you to access and includes articles from the TOI Perspective magazine, as well as information related to Township Government and the Assessment field. Tracking legislation and our continued presence at the TOI Fall Conference are just a few of our dedicated priorities. Thank you again for your ongoing support.

We are only as strong as our membership. To keep our membership current, please notify me if you are no longer in the assessing field.

Sincerely,

Christopher Kain
